

City of San Diego
CARL DEMAIO
CITY COUNCILMEMBER -DISTRICT 5

MEMORANDUM

DATE: March 23, 2011
TO: Tony Young, Council President
FROM: Councilmember Carl DeMaio
RE: Elimination of DROP benefits for Council Staff

A handwritten signature in cursive script that reads "Carl DeMaio".

The current exemption for eligible Council staff from participating in the vote on elimination of DROP benefits sends the wrong message to our employees and the public.

Therefore, I respectfully request that you docket for Council consideration and action to require currently exempted staff to vote on elimination of DROP benefits.

cc: Honorable Mayor and City Councilmembers
